

Troop XV Campout

McGee Creek NSRA, OK

April 23-25, 2010

Departure: Friday evening, 5:30 pm, April 23, from Academy Sports.

Arrival: McGee Creek, located about 20 miles East of Atoka, OK.

- Bring your Field Uniform and wear it over your Troop XV t-shirt during travel. We will NOT be wearing the uniform while hiking on Saturday or Sunday. Remember, no non-scout related apparel or electronic devices are permitted outside of travel vehicles on Troop XV outings. XV T-shirt can be worn in camp.
- Plan to eat dinner at home before departure. We will not be stopping enroute. Patrols may have crackerbarrel after camp is setup.
- On Saturday morning we will take down camp and depart for the trail. Remember, this is a complete backpacking weekend. Everything you bring will need to be carried in your pack including your clothes, food, water, tent, rain gear and sleeping bag, so weight is key.
- We will eat lunch on the trail, so plan for an easy no cook lunch. We will hike until we reach the desired campgrounds, and then setup our camp.
- All patrols, please organize your personal gear (backpacks), tents, food, and cooking (Saturday breakfast, lunch, dinner, and Sunday "no cook" breakfast). Dinner must be cooked as a patrol.
- Scouts, remember to reimburse your driver for gas money.

Departure: Sunday morning, April 25, about 10:30 am, from McGee Creek NSRA. We plan to arrive in Sherman around 12:00pm
