

Troop XV Campout

Wichita Mnts. - Lawton, OK

March 20-22, 2009

Departure: Friday evening, 5:00 pm, March 20, from Canyon Creek (Corner of Lamberth & FM 1417).

Arrival: Wichita Mountains Wildlife Refuge, just west of Lawton, OK (about 3 hours).

- Bring your Field Uniform and wear it over your Troop XV t-shirt during travel. We will NOT be wearing the uniform while hiking. Remember, no non-scout related apparel or electronic devices are permitted outside of travel vehicles on Troop XV outings. XV T-shirt can be worn in camp.
- We will make a pit stop in Wichita Falls along the way for those who are unable to eat dinner prior to departure.
- On Saturday morning we will take down camp and depart for the trail. Remember, this is a complete backpacking weekend. Everything you bring will need to be carried in your pack including your clothes, food, water, tent, rain gear and sleeping bag, so weight is key.
- Meals: All breakfast & lunch should be no cook. We will be eating lunch on the trail. Saturday dinner will be cooked over backpacking stoves, so be creative. Let's try out those recipes for Scout Show! Dinner must be cooked as a patrol.
- Water! Bring plenty of nalgens and water for drinking & cooking. The troop will provide stoves & pots.
- Scouts, remember to reimburse your driver for gas money.

Departure: Sunday morning, March 22, about 9:00 am, from Wichita Mountains. We plan to arrive in Sherman around 12:00 - 12:30pm
